Computing Hubs
Cheshire & Wirral

Primary Update
Autumn 2024

Welcome Back!

All of our CPD is now FREE to state-funded schools in Cheshire and Wirral. You can check out the full list of CPD and support available in our Regional Brochure. You can also find courses running locally in Wirral and Cheshire on the next page of our newsletter.

NEW

Teach Computing subsidies have renewed!

Did you know that state-funded schools in Wirral are entitled to one subsidised CPD session per academic year*?

Receive £205 for your school to support supply costs.

*You can find further information on subsidies here.

If you have any questions get in touch using our contact details at the bottom of the page.

LATEST NEWS

BOOK NOW Computing Quality Mark

CONGRATULATIONS to the team at Town Lane Infant School for being the first of our Wirral schools to successfully gain the Computing Quality Mark - Who will be next?

Join us to find out more about how your school can gain an accreditation in computing using the Computing Quality Framework from The National Centre for Computing Education (NCCE). The Computing Quality Framework is intended to help schools review their progress in developing the computing curriculum. In our CPD sessions we will walk you through each aspect of the framework, help you to access the NCCE's wide range of resources, report successes, support your progress and work towards your accreditation.

BOOK NOW FREE Resource Loans

Don't forget to book your FREE resource loans early to avoid disappointment.
You can loan free half-termly kits of
🎃 micro:bits 🎃 Crumble controllers 🎃 Bee-Bots and 🎃 VU+ data loggers
which complement our units in the Teach Computing Curriculum.
If you're looking to try something new why not book out our Kitronik Primary Enrichment Tray?
Further details on our loan kits can be found in our Physical Computing Guide.

Primary Certificate & Pin Badge

CONGRATULATIONS to everyone who has gained their primary certificate & pin badge so far. We now have 86 teachers and TAs across Wirral and Cheshire who have received their accreditation awarded by BCS (The Chartered Institute for IT).
If you would like to work towards your accreditation choose your pathway (Specialising/leading or developing) here.
