Upcoming CPD, Certificates and Support

Computing Leader Briefings

Join us for 30 minutes on 16th September at 12.30 or 15.30 for our subject leader briefings to keep up to date with CPD, resources, support and updates.

BOOK NOW

Teacher Certification

Develop your subject knowledge and classroom practice with a National Centre for Computing Education certificate; improve your confidence and take your career to the next level.

- Key stage 3 and GCSE Computer Science subject knowledge
- A level Computer Science subject knowledge
- Teach secondary computing
- I Belong
  Encouraging girls into computer science

Funding and Subsidies

We offer subsidies to provide two days of supply cover (£205 per day) for teachers to attend the KS3 and GCSE Computer Science subject knowledge certificate CPD, helping to develop teachers' subject knowledge and skills without impacting pupils' lessons. This support is available to state-funded secondary schools and colleges in England. For more further information **click here.**
