Computing Hubs
Cheshire and Wirral

Halliard Trust
ALL TOGETHER STRONGER SCHOOLS

Primary Update
December 2024

Thank you for your support this year!

We're glad that so many of our schools have accessed support from the hub since September. So many of you have **loaned resources**, attended **CPD**, worked towards the **Computing Quality Mark**, the **Primary Certificate** & **I Belong Certficate**.
We have seen a real commitment to computing from our schools and we have been proud to work alongside you to develop computing across Cheshire and Wirral.

Updated fully-funded CPD
for state-funded schools

Take a look at our localised CPD offer on the **next 3 pages** of our newsletter and join us in the new year to take your next steps in your computing journey. Courses are filling up fast so please be sure to book now to secure your place.

Use it don't lose it!

All state-funded schools in Education Investment Areas (Wirral) are eligible for one £205 subsidy per academic year towards supply costs to release a teacher to attend a full day of CPD. Check out further details **here**.

Trust Name Change

You'll notice that the trust who host the computing hub has changed its name from The Fallibroome Trust to the Halliard Trust. We have shared our new admin email below - We look forward to hearing from you!

Wishing you all a happy and safe winter break!

from Jen, Bethan & Porsche at The Cheshire and Wirral Computing Hub

CONGRATULATIONS

Congratulations to our schools who now hold the **Computing Quality Mark**; Guilden Sutton CofE Primary School, Vernon Primary School, Town Lane Infant School, Liscard Primary School, Parklands Community Primary and Nursery School and The Fallibroome Academy. We also have a number of schools who are close to achieving the award & we look forward to supporting you in gaining accreditation.

We now have 119 members of staff across the Cheshire & Wirral who have gained our **Primary Certificate in Teaching Computing**. A great addition to your CV & you'll receive a silver pin badge to wear with pride. Who doesn't love a badge?
